SENATOR KELLY: OK, thank you Senator Clark. I don't understand it. Thank you Mr. President.

SENATOR CLARK: I'd appreciate a green vote if you don't understand it. I move for the advancement of the bill please.

PRESIDENT: That's the motion. Record your vote. Please vote. Record.

CLERK: 25 ayes, 1 nay.

PRESIDENT: The bill is advanced. LB 884.

CLERK: Read title to LB 884. There are Committee amendments, Mr. President, by Senator Carsten's Revenue Committee.

PRESIDENT: Senator Carsten.

SENATOR CARSTEN: Mr. President, members of the Legislature. I move for the adoption of the Committee amendments.

The Committee amendments to the bill first The first amendment was adopted which clearly defines the intent of the bill in which ~~disallows~~ an owner of a fleet vehicle to remove a vehicle from the service in order to qualify for the pro-rated registration fee authorized under the section.

The second amendment was adopted by the Committee. It amends 77-1241 to provide for a collection fee of three percent of the 30 percent of the registration fee collected under Section 60-305409. The collection fee would be received by the State Tax Commissioner.

When we change the staggered registration, a year ago, we failed to recognize what we were doing. We completely removed that revolving fund. That's what the last amendment does. The first one, of course, disallows any abnormal or intentional removal of a vehicle from a fleet in order to qualify for the pro-rated registration.

I move for the adoption of the amendments, Mr. President.

PRESIDENT: Any further discussion? Record your vote. Record.

CLERK: 25 ayes, 0 nays.

PRESIDENT: It is adopted. Senator Carsten.

SENATOR CARSTEN: And now, Mr. President and members of the Legislature, I move LB 884 be advanced to E & R as amended.
